

GREAT LAKES PSYCHOLOGICAL SERVICES

Sandra F. Pfander, Psy.D
Steven G. Haupt, Ph.D.
Kelly Baskind, Ph.D.
T. Michael Knack, Ph.D

PATIENT-SPECIALIST PARTNERSHIP AGREEMENT

The psychologists of Great Lakes Psychological Services are in partnership with Covenant Healthcare and area physicians as part of a patient-centered medical home. It is the goal of our practice to provide you or your child with the best care, in coordination with your primary care physician. Here are some points to remember:

After your visit here, please follow up with your primary care doctor.

Keep all appointments with your psychologist and with your primary care doctor. If you must cancel an appointment, please schedule a new appointment as soon as it is convenient for you.

Please follow the plan given to you by your psychologist.

If for some reason you are not able to follow the plan you are given, please tell your psychologist so that a new plan may be formulated.

Your psychologist will communicate with your primary care doctor about your treatment or your child's treatment as needed. If you or your child has psychological evaluation services, your primary care doctor will receive a written report.

Your psychologist will help you set goals for treatment and help you or your child to meet them.

Please feel free to ask any questions of your psychologist or of the office staff.

By signing below, you indicate that you have read this document and agree to participate in our medical home. This is not a legally binding contract, but it will provide a framework upon which to base our efforts to provide effective treatment in conjunction with your family physician or pediatrician.
